

## REMARKS

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the European priority application.

The claims have been amended to conform the claims to U.S. practice. The claims have not been amended for reasons related to patentability. No new matter has been added.

In view of the above amendment, Applicant submits that the pending application is in condition for allowance and such prompt action is earnestly solicited.
